CamSoft Attains Gold Certified Partner Status

(Baton Rouge, LA — October 31st, 2005) CamSoft Data Systems, Inc., a Baton Rouge technology management company, today announced it has attained Gold Certified status in the Microsoft Partner Program with a competency in Advanced Infrastructure Solutions, Networking Infrastructure Solutions, Information Worker Solutions, recognizing CamSoft's expertise and impact in the technology marketplace.

As a Gold Certified partner, CamSoft has demonstrated expertise with Microsoft technologies and proven ability to meet customers' needs. Microsoft Gold Certified Partners receive a rich set of benefits, including access, training and support, giving them a competitive advantage in the marketplace.

Ivan MacDonald, CamSoft's Vice President, underscored the benefits this honor brings to CamSoft customers. "We are extremely honored to have attained Gold Certified status," he said, "our strategic relationship with Microsoft as a Gold Partner will allow us to continue to enhance services and solutions to our clients, as well as efficiently deploy the latest technologies"

Alison Watson, vice president of the Worldwide Partner Sales and Marketing Group at Microsoft Corp. said, "Customers are looking for partner companies that can bridge the gap between their business demands and technology capabilities. They need to trust in someone who can act as an expert adviser for their long-term strategic technology plans. Microsoft Gold Certified Partners, which have certified expertise and direct training and support from Microsoft, can build a positive customer experience with our technologies."

As one of the requirements for attaining Gold Certified Status, CamSoft had to demonstrate expertise in a Microsoft Competency. Camsoft has achieved to date no less than three. Microsoft Competencies are designed to help differentiate a partner's capabilities with specific Microsoft technologies to customers looking for a particular type of solution. Each competency has a unique set of requirements

and benefits including the requirement of certifications formulated to accurately represent the specific skills and services that partners bring to the technology industry.

Camsoft is the only Louisiana based Microsoft Gold Partner with three competencies and places the firm in the top three percent of the partners around the world.

The Microsoft Partner Program represents Microsoft's ongoing commitment to the success of partners worldwide. The program offers a single, integrated partnering framework that recognizes partner expertise, rewards the total impact partners have in the technology marketplace, and delivers more value to help partners' businesses be successful.
